**\*\* All classes and instructors subject to change without notice due to instructor availability**

**Ballet Barre** is a class that uses a combination of postures inspired by ballet and other disciplines like yoga and Pilates. The barre is used as a prop to balance while doing exercises that focus on isometric strength training combined with high reps of small range-of-motion movements.

**BODYPUMP** is a 60-minute addictive workout challenges all of your major muscle groups by using the best weight room exercises such as squats, presses, lifts and curls. The key to BODYPUMP is the REP EFFECT, a breakthrough in fitness training focusing on high repetition movements with low weight loads building lean muscle, strength, and endurance.

**LesMills Smart Start– Beginner level participate in first four tracks. Then try again on another day.**

**BODYCOMBAT-** This interval training program is fiercely energetic and is inspired by mixed martial arts! Body Combat draws from karate, kung fu, boxing, taekwondo and muay thai to name a few. Supported by driving music, you will strike, punch, kick and kata your way through a lot of calories to superior cardio fitness.

**Fusion Flow** is a Pilates and Yoga inspired workout that builds flexibility and strength and leaves you feeling centered and calm. A carefully structured series of stretches, moves and poses to music that brings the body into a state of harmony and balance.

**BEGINNER YOGA** Suitable for all fitness levels. Incorporates deep stretching, strength and balance while learning basic yoga poses, sequencing them together to create slow, strong and mindful flows.

**CARDIO CIRCUIT** is a total body workout designed for all levels of fitness! Using cardio techniques to improve cardiovascular health, endurance, and build strength, circuit training allows you to fit a variety of exercises into your workout-meaning a full body challenge and no boredom. Come get moving!

**Core and More** is designed to build core muscle groups while improving posture through performing a variety of exercises that strengthen the abdomen and back muscles and increase flexibility. The instructor may include a variety of equipment in this great workout.

**DANCE FUSION** is a combination of dance styles ranging from Hip Hop to Latin. A true Fitness Party

**FUSION FIT** Challenge your body in a variety of ways including strength, balance, core and endurance with moves from HIIT, Tabata, resistance, Pilates and intervals using resistance tubes, hand weights and a variety of equipment. **This class varies with instructor.**

**Get Started** Get a little extra coaching, plus some inspiration, in an easy-to-follow class that includes a little cardio, a little strength, a little stretch and a lot of support. No prior experience needed.

**KETTLEBELL AMPD** takes heart-pumping music and your favorite kettlebell moves and combines them into 60 minutes of calorie-torching fun! This whole-body workout emphasizes group fitness and focuses on specific areas such as arms, legs, core, and cardio. Each song concentrates on a main area, while still maintaining a whole-body routine.

**MINDFUL FLOW** This form of yoga concerned chiefly with the regulation of breathing by exercises consisting of various postures designed to maintain healthy functioning of the body and to induce mental calm; a mindful flow with an emphasis on alignment.

**OPEN LEVEL FLOW** is accessible to most people who have done a yoga class before, to those who practice on a regular basis. The practice promotes flexibility, balance, proper alignment, strength and relaxation by coordinating breathing with movement through various poses and meditation.

**PILATES** emphasizes core training through a series of mat exercises on the floor that emphasize proper breathing techniques. Members gain increased flexibility and strength in abs, hips and low back. **(45 min)**

**PIYO** is a combination of Pilates and yoga inspired moves; set to today's hits for serious fat burning, strength-ening, and toning.

**POWER CHALLENGE** Total body workout with functional core movements and basic strength training. The moves are simple, engaging, basic, and progressive. Suitable for beginner to experienced.

**R.I.P.P.E.D.** is a "plateau proof fitness formula" that helps you to create continuity, consistency and challenge in each and every R.I.P.P.E.D. class.

**GENTLE FLOW/ RESTORATIVE YOGA** We seek to relax the body and mind through the use of gentle postures and yoga props allowing the nervous system to reset. Great for all levels.

**SOULBODY BARRE** is a one hour, mindfully intense class broken down into 9 blocks of dynamic exercises using small isometric movements that work deep into the muscle, seamlessly transitioning to deep stretches to balance the body.

**SOULBODY BARRE UNHITCHED** is a one hour, mindfully intense class broken down into 9 blocks of dynamic exercises using small isometric movements that work deep into the muscle, seamlessly transitioning to deep stretches to balance the body. All done without the fixed barre, using a body bar and ball.

**SENIOR FIT** exercise classes designed for seniors, and any individuals with limited mobility issues; that include strength training, yoga, balance, flexibility, and cardio. These classes are seated and modified if need be. Classes are important for seniors who are trying to achieve optimal health benefits.

**SLOW FLOW YOGA** is accessible to all levels. The class offers modifications of greater or lesser difficulty so participants can select the option that works best for them.

**STEP REMIX** is a great cardio workout that mixes classic step fitness with resistance and core moves that makes this class not just a real calorie blaster but FUN too.

**STRENGTH AND STRETCH** is a strength and core conditioning class that integrates lengthening and strengthening exercise for a total body workout.

**TAI CHI** is a non competitive, self paced system of gentle exercise and stretching. Each posture flows into the next without pause ensuring the body is in constant motion.

**VINYASA FLOW** - Vinyasa is a multivalent Sanskrit term with various layers of subtle meaning. Vinyasa Flow commonly refers to a style of yoga which incorporates breath synchronized movement, along with other ancient techniques, such as bandhas, breath, and dristi or focal points. We strongly recommend this class only for experienced practitioners.

**YIN YOGA** is a quiet and simple practice, but not necessarily an easy practice. Yin yoga works deeply into our body. It targets our deepest tissues of the body, our connective tissues — ligaments, joints, bones, and the deep fascia networks of the body — rather than the muscles.

**YOGALATES** is a fusion of Yoga and Pilates, focusing on gaining deep muscle strength and flexibility from the inside out. This class will improve your performance in everything you do, strengthening and lengthening those deep muscles and improving your core strength and balance.

**ZUMBA** "fitness dance party," uses Latin music and dance steps for a fun total body workout. Routines are introduced in segments and repeated.

**FIT KIDS and ZUMBA KIDS**— Teaches kids basic principles of personal fitness using movement, music and FUN!

**\*\* All classes and instructors subject to change without notice due to instructor availability**

**BOOTCAMP** is like “recess for grown-ups” and combines a variety of exercises and drills to develop strength, speed, balance and agility while promoting teamwork. Class may be held outside, weather permitting.

**\*CYCLE CIRCUIT** is an intense exercise program featuring dynamic exercises like plyometrics, weights, and spinning bikes. **(75 min)**

**SPINNING** is an indoor cycling class that imitates riding outside on a real bike. Members ride as a group but decide their own intensity by choosing settings on their individual bike. Please bring a water bottle and towel to class. For your first class, please arrive 10 minutes early so the instructor can help you set up your bike. **(45 min)\***

**TABATA** – Offers a series of movements alternating between strength and cardio that are timed work/rest intervals.

**TONING** – A body toning workout focusing on body weight and dumbbell exercises, designed to tone your muscles, and increase muscle endurance. Benefits include better posture, and even better balance as well as nicely defined muscle tone.

**\*XPRESS SPINNING** is the same great workout you will get in the regular spinning class, but only takes 30 minutes. Great for those who are newer to Spinning and regular Spinners.

**\*\* Please be sure to reserve your bike for Spinning by calling the Welcome Center at 438-4406, option 2, or by stopping by in person. Bikes may be reserved the day before or day of class. If you can't make it to class, but have reserved a bike, please call and cancel so a person on the waiting list can be notified. Reservations will be release 2 minutes before the start of class. Thank you for your considerate cooperation.**
