

SOUTHTOWNE PARKING GARAGE INFORMATION

Bear Levin Studer Family YMCA

- Y members have the benefit of up to 3 hours of parking in the Southtowne Garage at no charge each time you visit the Y.
- Simply enter the garage at either entrance (Jefferson or Intendencia). The license plate recognition system will take a photo of your license plate. Note that number—write it down or take a picture. Validate your license plate by entering it into the tablet at the self-service kiosk in the Welcome Center when you arrive. You will receive 3 hours from the time you enter the plate number.
- If you fail to validate your license plate, you risk receiving a citation with a fine from Premium Parking.
- The Y contributes to the ongoing common area maintenance costs associated with the Southtowne Garage operation, but we have not passed these costs on to members.
- We share garage use with the Southtowne apartment residents and employees of the office building next door. Please remember to be careful and courteous in the garage: drive slowly, park respectfully, watch your children, do not litter.
- The YMCA does not own or operate the Southtowne Garage. If you have a question or concern, contact our Premium Parking account manager at 850-748-0624.
