

SOUTHTOWNE PARKING GARAGE INFORMATION

Bear Levin Studer Family YMCA

- Y members have the benefit of up to 2.5 hours of parking in the Southtowne Garage at no charge each time you visit the Y.
- Take a ticket when you enter the garage and bring it into the Y. You will validate the ticket at the self-service kiosk in the Welcome Center. It doesn't matter whether you validate when you arrive or when you leave. You will receive 2.5 hours from the time that was stamped on the ticket when you entered the garage.
- If you exceed the 2.5 hours, you will be charged \$5/half hour. This may be paid with cash or credit card. If you lose your ticket, you will be charged \$20. Garage proceeds are being donated to local charities.
- Members with special needs or extenuating circumstances may receive an extension of this time. Please see a director or Welcome Center staff.
- If you have problems at the garage entrance or exit, please push the HELP intercom button on the machine for an attendant.
- If you enter the garage and decide not to park there, you have a grace period of 15 minutes from the time you entered to leave without paying or needing a validation.
- The Y contributes to the ongoing common area maintenance costs associated with the Southtowne Garage operation, but we have not passed these costs on to members.
- We share garage use with the Southtowne apartment residents and employees of the office building next door. Please remember to be careful and courteous in the garage: drive slowly, park respectfully, watch your children, do not litter.
- The YMCA does not own or operate the Southtowne Garage. If you have a question or concern, contact Premium Parking at 855-571-4155.
