REACHING FOR THE STARS

the 24th annual CORPORATE CUP GAMES

Saturday, Oct. 21, 2017
Pensacola State College

The Corporate Cup Games are an Olympic-style, co-ed team competition that celebrates health and wellness in the workplace while emphasizing team work, communication and team building. We meet these goals through friendly competition in events that focus on togetherness and fun.

Events take place on Saturday, Oct. 21, from 8 am-2 pm at the track and field area of Pensacola State College. To compete in all events teams must consist of 20-32 members (at least 6 females). The Games are open to all local companies. Participants must be 18 years old and regular employees. Employee spouses are allowed to participate (up to 50% of the team's roster). We give awards to the top teams in each event, and the overall winner earns bragging rights and the Oscar Brock Memorial Cup Trophy for the year. To encourage participants to adopt a healthy lifestyle, team members receive a limited Y membership.

With great thanks to our Gold Sponsors:
