I would like to volunteer for the YMCA and understand that the YMCA will conduct the necessary background checks on me to protect Y members and participants. I also certify that I am in good health and capable of participating as a volunteer with the YMCA. I also understand that the YMCA reserves the right to discipline, suspend, or dismiss any volunteer for actions that conflict with YMCA values.

To the best of my knowledge, the information I have provided is accurate and correct. I understand that supplying false information about a criminal record is a misdemeanor punishable by law. I also understand that a criminal record will not necessarily prevent me from volunteering.
